What Is A Skier?

A skier is someone who'll drive 2 hours to wait in line for 35 minutes in order to spend 5 seconds falling down a hill in a blizzard. Skiers can be identified by their bright jackets, long poles, flailing arms, horrendous screams and broken limbs. They'll usually be found surrounded by smiling companions and in some cases, ambulance drivers. People who ski are excited to watch in the great outdoors, although many have been known to save their best moves for the great indoors! Every skier appreciates lots of white snow, red sunsets, and the Blue Cross. And, all of them have their "ups and downs"usually only minutes apart. Nevertheless, after an exhilarating day of trying to keep body and pole together the skier contemplates a warm fire in a cozy lodge and reflects what skiing is all about HOT BUTTERED RUM!

Trivia

The first U.S. ski club was organized in 1867 in the city of LaPorte, California. Its membership was comprised almost totally of miners.

**Club Meetings are the first Tuesday of each month at Rush Street Restaurant in Kingsport, TN. at 7:00pm.

Joke of the Month

The Texas preacher rose with an angry red face. "Someone in this congregation has spread a rumor that I belong to the Ku Klux Klan. This is a horrible lie and one which a Christian community cannot tolerate. I am embarrassed and do not intend to accept this.

Now, I want the party who did this to stand and ask forgiveness from God and this Christian family."

No one moved.

The preacher continued, "Do you have the nerve to face me and admit this is a falsehood? Remember, you will be forgiven and in your heart you will feel glory. Now stand and confess your transgression."

Again all was quiet.

Then, slowly, a drop-dead gorgeous blonde with a body that would stop traffic rose from the third pew. Her head was bowed and her voice quivered as she spoke.

"Reverend there has been a terrible misunderstanding. I never said you were a member of the Klan. I simply told a couple of my friends that you were a wizard under the sheets!"

The preacher fainted.

By the time you get this issue of the Lift Line, we will have run another race at Beech Mt and hopefully edged a little closer to another Southern Division title. Make sure to signup 1 week in advance of each race you plan to attend. The race schedule is on another page in this issue and can also be found on the ETMM or CSC web sites.

The ETMM club championship is tightly contested with 8 team members within 10 points (that's one race run) of the lead. The hunt for the ETMM Rookie of the year is in full swing, so you rookies need to get out there and participate.

Don't forget to check out the web site for race results and racing news, ETMM.org. (Good job little Jo for keeping up the web site!!)
